ChariTote's **Design-A-Bag** craft kits are delightfully colorful, bright, and cheerful - and each kit sold benefits the Pediatric Cancer Foundation's fight against childhood cancers. The kits are sold 12 kits per box and the box easily converts into a CDU.

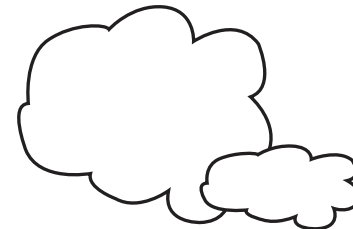

Pediatric Cancer Foundation is a nonprofit organization that funds treatment, fellowships and equipment for pediatric cancer research. The Foundation supports several New York area hospitals and their satellite hospitals including: NewYork-Presbyterian Morgan Stanley Children's Hospital; Memorial Sloan-Kettering Cancer Center; The Steven and Alexandra Cohen Children's Medical Center of New York; Stephen D. Hassenfeld Children's Center for Cancer and Blood Disorders at NYU Langone Medical Center; and Maria Fareri Children's Hospital at Westchester Medical Center.
